

Vote **YES!**

FOR OUR KIDS
APRIL 23rd
www.vote4lwskids.org

Top 3 Reasons to Vote YES on the 2019 Capital Projects Levy

- 1** Addresses overcrowding and provides needed classrooms for our kids. This levy will fund classroom additions to ensure kids have the spaces they need to learn.
- 2** Invests in safety measures to help protect our kids. This levy will fund security enhancements at all elementary schools and entry modifications at high schools.
- 3** Everyone benefits. Good schools and facilities positively affect our neighborhoods. Better schools help build a stronger community, which improves our quality of life, and keeps our neighborhoods desirable.

Support our schools and community without increasing the tax rate

Lake Washington School District is one of the fastest-growing districts in the state. This growth is at all levels from kindergarten through high school. The growth is expected to continue.

District enrollment has increased by 26 percent over the past decade, and the majority of schools are at or over capacity. This levy will fund new classrooms for more than 1,000 students, along with expanded auxiliary space – gyms and cafeterias – for the expanding student population.

By voting YES on the 2019 Capital Projects Levy, we will provide new classrooms, new spaces and continue safety and security efforts for our kids.

Property tax exemptions available

Senior citizens and those with disabilities can qualify for property tax exemptions. Learn more by calling the King County Assessor: (206) 296-7300.
