NO TAX RATE INCREASE**

**APRIL 26**  
LAKE WASHINGTON SCHOOL DISTRICT

Dear Community Partner,

Thank you for being an engaged partner in our community -- you help make this a community where residents can live, learn, work and play. Strong schools also make this a great community and we need your support to ensure we maintain our high quality schools while accommodating our growing student population and providing a quality environment for our kids to learn.

On April 26, voters in the Lake Washington School District will be voting to support kids. This bond measure will address overcrowding in our schools, prioritize funds for our most urgent needs while keeping our tax rates the same.

We are asking all of our community partners, such as local businesses, neighborhood groups, community and service organizations, and other civic minded leaders to show their support for this critical bond measure by doing the following things:

- Go to [www.vote4LWSDkids.org](http://www.vote4LWSDkids.org) where you can:
  - Learn more about how the bond will benefit students
  - Add your name to the growing list of endorsements
  - Sign-up to volunteer
- Got to the resource section where you can download a poster and put in a visible place so your community can see your support, get documents to share with friends and colleagues, and change your FaceBook profile pic in support of the bond - <http://vote4lwsdkids.org/resources/>
- Contribute to the campaign to help get the message out:
