✓ **MORE CLASSROOMS**   ✓ **NEEDED RESOURCES**  
✓ **REDUCED TAX RATE**

**LAKE WASHINGTON SCHOOL DISTRICT**

## **Top 3 Reasons to Vote YES on the LWSD Bond and Levies**

- 1) **Addresses overcrowding and provides needed resources while reducing the tax rate.** The bond provides more classroom space to relieve overcrowding in our district, which is now the third largest in the state. The levies ensure teachers have the resources they need to help students succeed. And, due to good fiscal planning, the LWSD tax rate will be reduced.
- 2) **Maintains and prioritizes most urgent needs for kids.** These proposals prioritize our schools' most urgent overcrowding, education, safety, technology, and maintenance needs while reducing our tax rate.
- 3) **Everyone benefits.** Good schools and facilities positively effect our neighborhoods. Better schools help build a stronger community, which improves our quality of life, and keeps our neighborhoods desirable.

### **Support our schools and community while reducing the tax rate**

Lake Washington School District is one of the fastest-growing districts in the state. This growth is at all levels from kindergarten through high school. Data shows that the growth will continue.

Many of our schools are already overcrowded and the district must rely on portable classrooms. The bond will provide more classroom space to help relieve overcrowding.

The levies will provide the funding needed to maintain the district's excellent educational programs and technology, improve facilities and fields, and keep students safe.

By voting YES on the bond and levies, we will provide needed resources for students and teachers, maintain and improve critical building and technology systems, and build new schools to address overcrowding while reducing the tax rate

**Property tax exemptions available:** Senior citizens and those with disabilities can qualify for property tax exemptions. Learn more by calling the King County Assessor: (206) 296-7300.
